Introduction

At MetaMetrics, Inc., (“MetaMetrics”, “we”, “our” or “us”) we want educators, researchers, and parents (collectively our “Users” or “you”) to be able to learn about our various products and services, including our websites on which these Terms of Use are posted, including the *Lexile® & Quantile® Hub* (described below) and any future versions, derivations, other websites, including any subdomains and mobile versions thereof, featuring a link to these Terms of Use (collectively, our “Sites”). Access and use of any of our Sites is subject to these Terms of Use, as well as all applicable laws. By using any of our Sites, you agree to these Terms of Use. If you do not agree with these Terms of Use, please do not access or use any of our Sites.

The Sites are provided for various purposes. Some are solely for informational purposes and the purposes of enabling communication between you and MetaMetrics. Others may offer specific services or programs, may enable you to subscribe to certain services, place orders online, or may have other services, offerings, or features. To the extent that new services, offerings or features are added to our Sites over time, they are also subject to these Terms of Use.

Additional Terms

Our [Privacy Policy](#) describes the information we collect when you use our Sites, as well as how we use that information, and some of the steps we take to protect your privacy. Our Privacy Policy is part of these Terms of Use. By accessing our Sites and agreeing to these Terms, you are also consenting to our use of your personal information in accordance with our Privacy Policy.

Some of our Sites may enable you or your company to subscribe to our products or services, and they may contain additional terms and conditions, or you or your company may otherwise enter into a separate agreement with MetaMetrics, such as an end user license agreement, a Master Services Agreement or other terms (each of the foregoing, “**Additional Terms**”). If you encounter Additional Terms on one of our Sites, you may be asked to expressly consent to the Additional Terms, for example, by checking a box or clicking on a button marked “I agree.” If you enter Additional Terms on behalf of your company, you represent and warrant that you have the authority to consent to such Additional Terms on behalf of your company. If any of the terms of the Additional Terms differ from these Terms of Use, the Additional Terms will supplement or amend these Terms of Use, but only with respect to the matters governed by the Additional Terms.

Certain functionality of our Sites (such as payment processing), may be operated on our behalf by third parties, and may be subject to the Terms of Use and/or Privacy Policies of those parties. We are not responsible for any aspect of these third-party service providers or websites. Please review any terms and conditions that may apply if and when you visit our online stores or other areas operated by third parties.
